AN INDIVIDUALLY DESIGNED AND BUILT
CIRCA 2010 SPLIT LEVEL TWO/THREE
BEDROOM DETACHED PROPERTY.

ROBERT ELLIS ARE DELIGHTED TO WELCOME TO THE MARKET THIS INDIVIDUALLY DESIGNED AND CONSTRUCTED CIRCA 2010 SPLIT LEVEL TWO/THREE BEDROOM, PLUS STUDY, DETACHED PROPERTY SITUATED IN THIS POPULAR AND SOUGHT AFTER RESIDENTIAL LOCATION.

From front facing facade, the property differs to the rear, incorporating a lower ground floor offering accommodation then over two floors which comprises the main entrance hallway leading to the first floor bedroom, bathroom and open plan kitchen diner. From this first floor location, there is access to the garage space. A turning staircase then drops down from the hallway to the lower hall, which then offers access to a further bedroom and bathroom facility, study space and lounge with French doors opening out to the rear garden.

The property also benefits from gas fired central heating from a combination boiler system, ample off-street parking to the front and a generous garden space to the rear.

The location of the property provides easy access to the local nearby amenities, schooling for all ages such as Ladycross, Cloudside and Friesland Schools, and for those needing to commute there is easy access to good road networks such as the A52 for Nottingham/Derby, Junction 25 of the M1 motorway and the Nottingham electric tram terminus situated at Bardills roundabout.

This really is a prime example of not judging a book by it's cover from the front elevation and is well worth an internal viewing to fully appreciate the aspects of the property.
