A THREE BEDROOM SEMI DETACHED
HOUSE.

Offers Over £200,000 Freehold

Situated at the head of a cul de sac with a larger than average garden plot of 0.13 of an acre is this family-size three bedroom semi detached house.

Behind this traditional facade lies a modern and contemporary home which is ready for immediate occupation. There is a generous lounge/diner which has French doors opening to a large terraced patio area and enjoys views over the garden and surrounding area. The kitchen offers a modern twist to a country classic with wood blockwork surfacing, Belfast sink and some integrated appliances.

Further features of this property include gas fired central heating served from a combination boiler, double glazed windows, useful utility room and a good size family bathroom offering a touch of luxury with a roll top bath and separate shower.

The shared driveway leads to a gravel forecourt which provides parking for at least two vehicles, which could be exploited further into the garden (if required).

Situated in a small cul de sac in this popular residential suburb, with schools for all ages within an easy reach as is a regular bus service and the nearby market town of Ilkeston. For those who enjoy the outdoors, you are within a minute's walk of open countryside.
