

Skylark Rise
Stapleford, Nottingham NG9 8JR

£280,000 Freehold

A three bedroom semi-detached house with off road parking constructed in 2020 on the Field Farm estate.

We are pleased to offer for sale this nearly new three bedroom semi-detached house.

Constructed in 2020 by Westerman Homes, this property benefits from the remainder of an NHBC 10 year warranty and offers an energy efficient home with gas fire central heating served from a combination boiler and of course UPVC double glazed windows throughout.

Since occupation the current owners have put their own touches to their home making it a stylish and modern interior great for first time buyers and young families alike. Features of this property include a useful cloakroom/WC, a fully fitted kitchen with built in appliances, en-suite shower room to the master bedroom, off street parking for two vehicles and landscaped rear gardens with lawn, patio and a covered seating area.

Situated in a cul-de-sac in phase one of Field Farm, a modern and already becoming established development on the outskirts of Stapleford close to the borders of Bramcote and Trowell. This makes this property and area great for families and commuters alike as schools for all ages are within easy reach as are open spaces and Bramcote Hills park and leisure centre. For those wishing to commute the A52 for Nottingham, Derby and junction 25 of the M1 motorway is a short drive away. The nearby town centres of Stapleford and Beeston between the two offer a variety of shops and amenities.

We strongly recommend an early internal viewing to avoid disappointment.
