ROBERT ELLIS ARE DELIGHTED TO BRING TO THE MARKET AN EXCEPTIONALLY WELL PRESENTED, HIGH QUALITY FINISHED, DOUBLE FRONTED DETACHED BELLWAY HOMES CONSTRUCTED EX SHOW HOME, SITUATED WITHIN THIS DESIRABLE AND ESTABLISHED LOCATION.

'The Ashton', constructed approximately eight years ago, still benefiting from the NHBC warranty, comes with a range of extra high quality fittings having been the ex show home for the development, whilst boasting extended accommodation from the original build with a lantern roof day room, and with the removal of the wall between the kitchen and dining space has genuinely created a fantastic open plan family dining kitchen.

Other changes since the original construction is the conversion of the garage, creating an impressive garden room/home office/gym, whilst retaining a small part of the original garage for useful storage space.

The accommodation, over two floors, comprises entrance hall, ground floor w.c., useful pantry cupboard, snug/home office/play room, living room, open plan family dining kitchen and day room with feature lantern ceiling. The first floor landing then provides access to four bedrooms, two with en suite facilities and family bathroom.

Externally, there are landscaped gardens to the front and rear, the front with decorative wrought iron fencing and block paved driveway leading down the side of the property to the storage unit (formerly the garage.)

Further benefits to the property include gas fired central heating, double glazing and fitted bedroom furniture

Situated within this established and sought after location, the property provides easy access to the nearby city of Derby, whilst also offering nearby scenic walks to places such as Elvaston Country Park to name but one.
