Situated on a substantial garden plot of 0.12 of an acre can be found this extended and spacious four bedroom detached family home. If you are a growing family looking for a sizeable family home, this could be ideal for you.

The property enjoys two entrances, one to the front and the second to the rear. There is a large, welcoming living room with cast iron log burner (great for Winter evenings). There is an extended modern breakfast kitchen (ideal for busy households and those who enjoy cooking) and bi-fold doors from the kitchen open through to a family/dining room with French doors opening to the rear garden. Also on the ground floor is a useful utility closet and cloaks/WC.

Rising to the first floor, the landing provides access to four generous bedrooms and a family bathroom.

This energy efficient home benefits from gas fired central heating served from a combination boiler, double glazed windows, as well as three of the windows being quadruple glazed, and solar panelling has been installed to the roof which feeds into a battery storage facility.

The property is situated on a generous and private garden plot, set back from Ilkeston Road some way, with high screening trees and hedging, lawns and a meandering pathway leading to the front of the property. To the rear, the gardens are tiered, with general patio area (great for BBQing), a lawn laid to artificial turf and there is a purpose built garden cabin with light and power (great for those looking for a home office, studio, gym, den, etc.), a wooden shed and a brick built workshop/store .

The property enjoys gated off-street parking and carport to the rear accessed off Windsor Close.

Situated in the highly regarded suburban village of Trowell, local facilities include a primary school, Post Office/Convenience store and a regular bus service. Open space and fields are close by for those who enjoy the outdoors. Further those looking to commute, the larger nearby towns of Ilkeston, Stapleford, Beeston and Nottingham city centre are all easily accessible.

Internal viewing is recommended.
