Built in 2020, we are pleased to offer for sale this three bedroom detached family home situated in this established residential suburb.

Located within the Elka Rise development, this property is well positioned within this now established development, not directly overlooked to the front and rear, with a small wooded area to the front and the house is slightly elevated allowing a view over surrounding area to the rear.

This modern, energy efficient home still has the feeling of being a new build and has upgraded features which can be seen in the kitchen where there is a range of high quality units with upgraded work surfacing and integrated appliances. The kitchen forms the centrepiece of this home with French doors opening to the rear garden and a generous open plan living/dining/kitchen space, great for families to socialise and also for entertaining.

Further features of this property include a separate utility room, useful cloaks/WC and the principal bedroom has an en-suite shower room.

Off-street parking is provided for two cars to the side of the house and the property enjoys particularly good sized and attractively landscaped rear gardens, with patio, raised planters and lawn.

Elka Rise is situated on the outskirts of Ilkeston and conveniently situated within walking distance of Hallam Fields Junior School, as well as open space and countryside, with the Nutbrook Trail within easy reach. Ilkeston town centre has a good variety of shops and facilities, along side a number of supermarkets and its own train station linking Nottingham and Derby. Good road networks are also nearby.

We believe this property is ideal for couples and young families alike. It is ready to move into and an internal viewing is recommended.
