A TWO DOUBLE BEDROOM SEMI  
DETACHED HOUSE.

**£180,000 Freehold**

A two double bedroom semi detached house located on a generous corner plot in this popular and established residential location.

What sets this property apart from others of this type is the generous size plot on which it sits. This has enabled the owners to construct a useful sectional concrete storage garage to the side and the property benefits from off-street parking to the rear of the plot, as well as a good size garden.

Further features of this property include gas fired central heating served from a combination boiler, double glazed windows throughout and is ready to move into.

This relatively modern property is situated in a popular and established residential suburb, close to a local school, regular bus service, as well as within easy reach of the bustling market town of Ilkeston (which includes Tesco and Morrisons).

This property is ideal for first time buyers, as well as those looking to downsize and we recommend an early internal viewing.
