A RENOVATED TRADITIONAL DOUBLE
HEIGHT BAY FRONTED 1950'S THREE
BEDROOM DETACHED HOUSE.

ROBERT ELLIS ARE DELIGHTED TO WELCOME TO THE MARKET THIS MUCH IMPROVED DOUBLE HEIGHT BAY FRONTED TRADITIONAL 1950'S THREE BEDROOM DETACHED FAMILY HOUSE SITUATED WITHIN THIS POPULAR AND ESTABLISHED CUL DE SAC LOCATION.

With accommodation over two floors which comprises a spacious entrance hallway with useful storage cupboard (could be converted to provide a ground floor WC), living room and open plan kitchen/diner to the ground floor. The first floor landing then provides access to three bedrooms and four piece bathroom suite.

Other benefits to the property include gas fired central heating from a combination boiler, alarm system, double glazing and off-street parking with double gates providing access to a detached double garage to the rear (one half still used as a garage, the second having been converted into useable space currently as a gym but would make an ideal home office with French doors to the front, power and lighting points internally).

The property itself sits favourably within easy reach of the shops and services within Ilkeston town centre, nearby schooling for a variety of ages and transport links such as the M1 Motorway, A606 and access to IKEA and Giltbrook Retail Park.

We would highly recommend an internal viewing to fully appreciate the work put in by the current occupiers.
