ROBERT ELLIS ARE DELIGHTED TO WELCOME TO THE MARKET THIS WESTERMAN HOMES CONSTRUCTED THREE STOREY, THREE (POTENTIALLY FOUR) BEDROOM, TWO BATHROOM, THREE TOILET MID TOWN HOUSE SITUATED WITHIN THIS POPULAR AND ESTABLISHED RESIDENTIAL LOCATION.

With accommodation over three floors, the ground floor comprises a generous and spacious welcoming entrance hallway, spacious ground floor WC and ground floor sitting room/office/utility room which in other properties has also been divided up to create a ground floor fourth bedroom (if required). The first floor landing then provides access to the two main reception areas with the breakfast dining kitchen to the front and the "L" shaped living room to the rear. A further staircase rises from the first floor landing to the top floor which provides access to all three bedrooms (principal bedroom with en-suite), and family bathroom.

The property also benefits from electric heating throughout, off-street parking for two cars to the front, integral garage with access from the hallway, and an enclosed garden space to the rear.

The property sits favourably within close proximity of excellent nearby transport links to and from the surrounding areas, such as the A52 for Nottingham/Derby, Junction 25 of the M1 motorway and the Nottingham electric tram terminus situated at Bardills roundabout. There is also easy access to a vast array of nearby schooling for all ages, both within Stapleford and Sandiacre, catering for ages from nursery through to college. For those looking for shopping facilities and amenities, these can be found in Sandiacre itself, as well as the neighbouring towns of Stapleford and Long Eaton.

Due to the overall space of the property, we believe this would make an ideal family home, as well as first time buyers. We highly recommend an internal viewing.
