A TRADITIONAL THREE BEDROOM SEMI DETACHED HOUSE OFFERED FOR SALE WITH IMMEDIATE VACANT POSSESSION.

This property is situated in this highly regarded, suburban village of Trowell with the property situated towards the end of Trowell Grove having a particularly good size south-easterly facing rear gardens with views over surrounding open space. The rear boundary backs onto Pit Lane where there is potential for vehicle access or off-road parking with the removal of the current fence in place and many on the street have garages (this will of course require planning permission).

The property benefits from gas central heating served from a combination boiler and double glazed windows and has a relatively modern fitted kitchen and bathroom. The property does however require some cosmetic improvement, offering great potential for the incoming buyer to put their own mark upon it.

The accommodation currently comprises of an entrance hall, lounge, kitchen with access to the ground floor bathroom. To the first floor the landing provides access to three bedrooms.

Trowell benefits from its own primary school, regular bus service to nearby towns and suburbs and the property offers great commutability with good road networks leading to Beeston, Nottingham University, Queens Medical Centre, Nottingham and Derby via the A52.

This property is ideal for first time buyers looking to take their first steps onto the property market.
