A SUPERB FIVE BEDROOM HOUSE WITH
SELF-CONTAINED ANNEXE.

If you are a large, growing or multi-generational family then this superb five bedroom house may be ideal for you.

Significantly extended, this property offers spacious and adaptable living. A particular feature is the ground floor self-contained annexe which offers a living room, fitted kitchen, double bedroom with vaulted ceiling and French doors opening to the rear garden, as well as a wet room. This space is ideal for multi-generational living, as well as dependent relatives, or as a separate teenager's annexe, or indeed as guest accommodation.

The property is not only extended to the ground floor, but also the first floor and therefore provides for spacious family accommodation with four well proportioned bedrooms, the principal with an en-suite facility with both bath and shower. There is also a family shower room.

To the ground floor, the entrance hall is welcoming and gives access to the lounge at the front with log burner, and open plan dining kitchen with high quality units, granite work surfacing and built-in appliances. There is also a useful utility room.

With fantastic kerb appeal, a forecourt provides off-street parking for three/four cars, and the rear gardens compliment the property, being generous in size with patio and lawn.

Situated in this highly regarded residential suburb on the borders of Bramcote, it is ideally positioned for families and commuters alike as schools for all ages are within easy reach. There is also a local convenience store within walking distance and open space close by with Bramcote Park and Leisure Centre. In Stapleford, there is a newly developed sports and community hub within walking distance of the property which has paddle courts, a gym and football pitches. For those looking to commute, there is ease of access to the A52 linking Nottingham, Derby and Junction 25 of the M1 motorway.

Central heating is served from a combination boiler and there is double glazed windows throughout.

This well presented property is ready for immediate occupation and we strongly recommend an early internal viewing to fully appreciate the size and flexibility of the accommodation on offer.
