AN EXTENDED TRADITIONAL BAY FRONTED THREE BEDROOM DETACHED FAMILY HOME.

Situated within this highly regarded residential suburb, great for families and commuters alike, schools for all ages are within walking distance, as are large open spaces including Bramcote Park and Leisure Centre. There are also regular bus services within walking distance and the A52 for Nottingham/Derby and Junction 25 of the M1 motorway is a minutes drive away. The property is also conveniently placed for Beeston town centre, Nottingham University and QMC.

The property itself is particularly well presented and offered for sale in a 'ready to move into' condition. It benefits from a ground floor extension to the rear elevation which provides enhanced living accommodation which comprises entrance hall, cloaks/WC, lounge diner (original two reception rooms) now partially open to provide a great space. There is a separate garden room which connects through from the dining area and extended fitted kitchen.

Rising to the first floor, the landing provides access to three well proportioned bedrooms and contemporary family bathroom. The property is double glazed throughout and has gas fired central heating served from a combination boiler which has been serviced.

A driveway provides off-street parking and leads to an enclosed carport with up and over door to the front. The rear gardens are attractively landscaped and generous in size. There is a good sized patio accessible from the garden room. At the foot of the plot, there is a further paved area offering a private place to unwind, relax and great for alfresco dining.

We are experiencing particularly strong demand for this type of property and location so therefore we recommend an early internal viewing to avoid disappointment.
