Extended and partly refurbished with modern kitchen open to a family room, master bedroom with en-suite shower room, double glazed windows and gas fired central heating served from a modern combination boiler. The property offers great potential for the incoming purchaser to make their own mark on it, particularly to the gardens which offer a blank canvas.

To the first floor, the landing provides access to three bedrooms (the master with a modern en-suite shower room). The property benefits from a secure courtyard with electric video and remote controlled gates, parking for several vehicles, an integral single garage, further drive and vehicle hard standing, and there are wraparound grounds to the side and rear of the property which are not currently landscaped and offer great potential for the incoming purchaser to put their own mark on it.

Situated on the outskirts of Cossall village, a picturesque semi-rural village on the borders of Nottinghamshire and Derbyshire., Cossall is ideally placed close to the neighbouring towns of Ilkeston and Stapleford, with relative ease of access to Junctions 25 or 26 of the M1 motorway and Nottingham city centre.

A rare find, we recommend viewing the property to fully appreciate the size and future potential on offer.
