WE ARE DELIGHTED TO OFFER FOR SALE THIS VICTORIAN THREE DOUBLE BEDROOM DETACHED HOUSE.

This surprisingly spacious period property has been well maintained by the current owners and comes to the market in ready to move into condition, with original features such as attractive Minton tiled floor in the spacious hallway. There are two equally proportioned reception rooms, one used as a lounge with feature Inglenook fireplace and cast iron log burner, whilst the other is used as a sitting room which equally could be used as a playroom/study etc. The open plan dining kitchen makes a great social space for families and entertaining. There is a partial galleried first floor landing with two windows bringing in a great amount of natural light, which provides access to the three double bedrooms and family bathroom.

What cannot be appreciated from the front elevation is the larger than expected rear gardens, which are tiered, with generous terraced patio, lower seating areas and lawn and the property benefits from off-street parking, accessed from an adjacent street, with the potential for further off-street parking under a carport that is currently used as a workshop/store.

Situated in this popular residential suburb, the property is suitable for families and commuters alike as schools for all ages are within walking distance, including Fairfield, William Lilley and George Spencer Academy. The town centre is also within walking distance, as is a regular bus service and for those wishing to commute, the A52 for Nottingham, Derby, Junction 25 of the M1 Motorway and the Nottingham Tram Park and Ride are all a few minutes drive away.

Centrally heated and double glazed, the property has had a new roof covering in recent years and we strongly recommend an early internal viewing to fully appreciate the accommodation on offer.
