A WESTERMAN HOMES CONSTRUCTED,  
THREE BEDROOM DETACHED HOUSE,  
OFFERED FOR SALE WITH NO UPWARD  
CHAIN

Robert Ellis are pleased to bring to the market, with no upward chain, this 1970's constructed Westerman Homes, three bedroom detached family house located within this favourable and quiet cul-de-sac residential location.

With accommodation over two floors which comprises an entrance hall, spacious through lounge/dining room and kitchen to the ground floor. The first floor landing then provides access to three bedrooms and a family bathroom suite.

Other benefits to the property include gas fired central heating from a recently fitted boiler, fitted approximately 1 year ago, double glazing, off street parking, detached garage and enclosed garden space to the rear.

As previously mentioned the property is located within this quiet cul-de-sac location within close proximity of Stapleford town centre and a variety of national and independent retailers and outlets, also easy access to good schooling for all ages and for those needing to commute there are good transport links nearby such as the A52 for Nottingham and Derby, the M1 J25 motorway and the Nottingham electric tram terminus situated at Bardill's roundabout.

We believe the property itself would make an ideal first time buy or young family home and we therefore highly recommend an internal viewing.
