A FOUR/FIVE BEDROOM DOUBLE FRONTED DETACHED FAMILY HOUSE.

Robert Ellis are delighted to welcome to the market, with no upward chain, a unique opportunity to purchase a handsome four/five bedroom detached family house situated within this sought after residential location in Risley with the potential for a self contained annex with bedroom, living room, en-suite bathroom and kitchenette.

Subject to the relevant permissions and approvals the property offers further potential for development given the size of the overall plot, whilst also offering the potential to convert into a long term forever family home.

Currently the accommodation comprises an entrance porch leading through to an entrance hall, ground floor living room, dining room, breakfast kitchen, ground floor w.c., utility room, rear lobby, storage space with boiler house, side hallway to ground floor annex with bedroom, kitchenette, en-suite, living space and garden room. The first floor landing then provides access to four bedrooms, two bathrooms and separate w.c.

Externally there is ample off street parking to the front leading to a double garage via an up and over door, planted and raised rockery with matching steps up to the canopy porch.

The property to the rear stands on a generous overall plot, being ideal for families and with relevant permissions and approvals potential for further development.

The property itself sits in a favourable location within easy access of nearby transport links such as the A52 and J25 of the M1 motorway. There is also easy access to the Nottingham express tram terminus situated at Bardill's roundabout and shopping facilities within the nearby towns of Stapleford, Beeston, Long Eaton and further afield.

Other benefits to the property include a 8 camera CCTV system, main house alarm, dual zone gas central heating boiler system with versatile accommodation over two floors which could be further adapted for either accommodation space or annex opportunities.

It is very rare to be given this excellent opportunity to purchase such a prominent property in a fantastic location and we therefore highly recommend an internal viewing.
