WE ARE PLEASED TO OFFER FOR SALE THIS GENEROUSLY PROPORTIONED FOUR BEDROOM DETACHED FAMILY HOME.

Built by David Wilson Homes in the late 1980s, to one of the larger designs of properties, in this popular and now established residential suburb know as 'Trowell Park'. Features of this property include a great open plan family dining kitchen, UPVC double glazed conservatory, cloaks w.c., utility room and modern bathroom and en suite facilities to the principal bedroom.

Situated on a generous plot, the property boasts ample off-street parking, detached brick built double garage and pleasantly landscaped rear gardens, a great space for families to enjoy.

Trowell Park is situated on the edge of the village of Trowell, which has its own primary school and offers good road links to the neighbouring towns of Beeston, Stapleford and Ilkeston and for those wishing to commute, Nottingham city centre is within easy reach, as is the A52 and M1 Motorway.

A fantastic home for growing families, we strongly recommend an early internal viewing to avoid disappointment.
