

Nottingham Road
Trowell Moor, NG9 3PQ

£695,000 Freehold

A THREE DOUBLE BEDROOM DETACHED
HOUSE LOCATED ON A PRIVATE PLOT OF
JUST OVER HALF AN ACRE

We have great pleasure in offering for sale Moor House. This individual detached residence is located on a private plot of just over half an acre nestling in green belt. Offering three double bedrooms and two reception rooms this extremely well presented property comes to the market in a ready to move into condition.

Situated in a secluded private location, the grounds originally formed part of a small garden nursery which specialised in rare conifers and evergreens. These now form a beautiful backdrop to the formal gardens. The current custodians have re-modelled some of the landscaping and improved the grounds which now offer a market garden style environment. Features include a substantial greenhouse measuring over 43sqm. There is a soft fruit orchard, netted berry area, raised vegetable and herb beds.

Set back from the road with a gated forecourt providing parking for several vehicles, there is a large wooden workshop which has the potential to be converted into a garage. The rear boundaries sit against open countryside and views of these are exploited from the rear bedroom windows.

Far from being isolated, the property is conveniently situated on the A609 within Trowell and offers ease of access to the neighbouring areas including Wollaton, Beeston and Stapleford, as well as Nottingham city centre and well positioned for both Junctions 25 and 26 of the M1 Motorway.

The accommodation currently comprises entrance hall with access to modern shower room/WC and to the sitting room. This leads through into the central hallway where the stairs to the first floor are accessed, to the lounge and open plan L-shaped dining kitchen. To the first floor the landing provides access to three double bedrooms, modern four piece family bathroom and useful separate cloakroom/WC.

The configuration of the ground floor with the sitting room and shower room/WC and the separate entrance lends itself to the possibility to be used as an annex for a dependent relative, guest accommodation or those wishing to work from home or consultancy rooms.

This property and grounds lends itself to a variety of buyers including those looking for a change of pace and lifestyle and to enjoy the "Good Life". There may be the possibility of running a small independent business as the property, although now in complete residential use, has been previously used as a small garden nursery and B&B. Only upon detailed inspection of the house and a walk through the grounds can it be fully appreciated.

OUTSIDE

Set back from the road wrought iron vehicle gates opening through to a generous forecourt finished in stone chippings with deep colourful evergreen ornamental trees and borders. Additional log store. Gated access to far side of property and further gate to greenhouse and storage area. The rear gardens offer a variety of themes, the formal gardens with ornamental broken slate courtyard area, flanked to one side with specimen rare conifers and evergreen shrubs. There are pathways meandering through the gardens which include two colourful flower and shrub beds. The formal gardens continue around the different elevations of the property where there is a block paved patio and a lit veranda to the side and rear elevations of the property great for sitting and enjoying of an evening, flanked again with attractive specimen evergreen plants and shrubs. There is a further seating area with grapevine and enclosed courtyard again with vines offering a private space to enjoy breakfast. The French doors to the dining kitchen are located here. To the rear elevation steps lead to a secluded lower garden finished with bark chippings with a number of specimen conifers including a pergola planted with a variety of climbing plants. A pathway leads around to a summerhouse. To the far side of the property there is a pathway and gate leading to the front of the house. To the South-West corner there is an orchard of soft fruit trees, herb garden, asparagus and vegetable patch. In the far corner there is a netted berry tunnel. Beyond this is a small nature area. At the southern end of the garden are raised beds providing further vegetable patches and there is a garden shed at this point. Behind the greenhouse is an enclosed storage area and gated access to the sewage treatment plant for the property. There are several outside water points & external power points.

DIRECTIONS

The property is best approached by leaving Nottingham and heading towards Trowell, when you reach the traffic light Junction at the top of Wollaton Vale (Junction with A609 & A6002) proceed towards Trowell and Ilkeston on A609 (Nottingham Road) After Approx 1/4 of a mile the property is located on the left and can be identified as the next driveway after Swancar Farm Country House.
