A PARTICULARLY DECEPTIVE, THREE
BEDROOM MID TOWN HOUSE

A PARTICULARLY DECEPTIVE, THREE BEDROOM MID TOWN HOUSE.

Situated in a small courtyard style development of similar houses, within this highly regarded residential suburb, great for families and commuters alike.

Bramcote is a prime residential suburb, with local amenities including schools, large open spaces and parks, post office, farm shop and fantastic transport links, the property being a short walk to a bus stop, where there is a regular service linking Nottingham and Derby via Beeston, Queens Medical Centre and Nottingham University. The A52 is a few minutes drive away which connects Nottingham and Derby and Junction 25 of the M1 Motorway for further afield.

This property comes to the market with no upward chain and features including double glazing throughout, gas fired central heating served from a modern combination boiler. Driveway, integral garage (which has the potential to be converted into a habitable room subject to the relevant permissions) and there is an attractive and easy to maintain rear garden.

Ideally suited to first time buyers or young families, we recommend an early internal viewing to avoid disappointment.
