

Stapleford Road
Trowell, Nottingham NG9 3QE

A NEW BUILD TWO BEDROOM
DETACHED BUNGALOW.

£400,000 Freehold

We have great pleasure in offering for sale this individually designed and built two double bedroom detached bungalow. This newly built property has great architectural merit with vaulted ceilings throughout, giving an additional feeling of light and space in this already generous and proportioned property. Extremely energy efficient with the benefit of a gas fired underfloor central heating system and solar panelling.

A spacious welcoming hallway invites you into this residence where it leads you through past the bedrooms and the shower room to a most impressive open plan living dining kitchen with a brand new, high quality kitchen with integrated appliances, a vaulted ceiling with roof windows, drawing in light, with a pair of oversized French doors giving views and access over the rear garden.

The principal bedroom has a generous en-suite shower room finished with Heritage high quality fittings which is mirrored in the family shower room. The second bedroom is also a generous double.

Set back from Stapleford Road, accessed from a service road on a corner position, there is an attractive forecourt finished with dwarf wall and railings, providing parking for at least three vehicles, as well as an attractive garden. The rear garden is newly landscaped with a generous patio area beyond the rear elevation (great for alfresco dining). The remainder of the garden is laid to lawn.

This property has been expertly built by a local independent development company and has the benefit of a 10 years LABC build warranty.

If you are planning a move to a single storey dwelling without looking to compromise on space or quality, we recommend viewing this property.

RECEPTION HALLWAY

16'1" x 8'7" reducing to 5'9" (4.92 x 2.63 reducing to 1.77)

A large and welcoming reception hallway accessed from a composite double glazed front entrance door, two double glazed windows and feature exposed brick wall drawing the eye through into the central hallway.

The kitchen area comprises a comprehensive range of fitted modern Shaker-style wall, base and drawer units with contrasting quartz worktops and matching upstands. Inset ceramic single bowl sink unit with swan mixer tap attachment, plinth LED low level lighting. Integrated appliances including electric fan-assisted oven and matching

Neff combination microwave oven, Neff induction hob with extractor hood over. Other Neff appliances include fridge/freezer, dishwasher, washing machine and separate tumble dryer. Cupboard housing the gas fired combination boiler (for underfloor heating and hot water system). Vaulted ceiling with three double glazed Velux roof windows, double glazed window to the side and two sets of double glazed bespoke French doors opening to the rear garden.

OUTSIDE

To the front, the garden has feature wrought iron detailing to the boundary, brick dwarf wall and the open driveway leads in providing parking for up to three vehicles. The garden has been landscaped with a section laid to lawn, flower and shrub beds. The rear garden is fenced and enclosed with a generous patio beyond the rear elevation. A pathway runs along one side of the garden leading to a bin store and side gate. There is also a section laid to lawn.

AGENTS NOTE

The landscaping is nearing completion. The external images are a true representation of the building and use of CGI to show how the gardens will be finished.
