

Cyril Avenue
Stapleford, Nottingham NG9 8FQ

£275,000 Freehold

A FOUR BEDROOM DETACHED HOUSE.

A particularly deceptive four bedroom detached house.

A first glance is not nearly enough to fully appreciate the size and space this property has to offer. Full of character and offering a traditional feel. The property benefits from double glazing (except sun lounge) and gas fired central heating serviced from a combination boiler (installed in Winter 2021). There is an integral single garage to the front elevation. This was most probably originally a front reception room to the property and could be converted back if so desired (subject to the usual permissions, etc).

The internal accommodation comprises porch, hallway, dining room opening into the living room, sun lounge, kitchen, rear lobby and ground floor cloaks/WC. To the front floor, the landing provides access to three of the bedrooms and there is a rear lobby which gives access to a further bedroom and bathroom/WC.

The property boasts pleasant and particularly private rear gardens, with a courtyard style patio area, landscaped lawn, rockery and bedding. Conveniently situated a stone's throw from Stapleford town centre, offering local shops, amenities and a regular bus service linking Nottingham/Derby. There are good schools for all ages within walking distance and those wishing to commute further afield, the A52, Junction 25 of the M1 motorway and park/ride for the Nottingham tram are all within easy reach.

Offered for sale with NO UPWARD CHAIN, this property would make a fantastic long term family home. Only upon viewing the property internally can the space and accommodation be fully appreciated.
