A RECENTLY UPGRADED THREE
BEDROOM SEMI DETACHED HOUSE
SITUATED ON A GENEROUS OVERALL
PLOT OFFERED TO THE MARKET WITH
NO UPWARD CHAIN.

ROBERT ELLIS ARE DELIGHTED TO WELCOME TO THE MARKET THIS RECENTLY UPGRADED THREE BEDROOM SEMI DETACHED HOUSE SITUATED IN THIS QUIET YET ESTABLISHED RESIDENTIAL CUL DE SAC LOCATION WITHIN TROWELL VILLAGE.

The property has the benefit of being brought to the market with NO UPWARD CHAIN and sits on a generous overall plot, with off-street parking to the front, a larger than average garage to the side and a generous rear garden with personal access gate to the Nottinghamshire Canal footpath to the rear.

The accommodation of the property as a whole comprises an entrance hall, living room, dining room, kitchen with useful pantry to the ground floor. The first floor landing then provides access to three bedrooms and a four piece bathroom suite.

The property also benefits from gas fired central heating from a combination boiler, double glazing, ample off-street parking and a larger than average detached garage with electrically operated door, power and lighting points.

The property is located favourably in this quiet village location which offers a local village school, fantastic nearby transport links such as the A52 for Nottingham/Derby, Junction 25 of the M1 motorway and the Nottingham electric tram terminus situated at Bardills roundabout.

There is easy access to both Nottinghamshire Hospitals via the nearby ring road. There is also easy access to further shops, services and amenities in the nearby towns of Stapleford, Beeston and Ilkeston.

We believe that the property would make an ideal first time buy or young family home and would highly recommend an internal viewing.

OUTSIDE

To the front of the property there is a tarmac driveway with a block paved edge providing off-street parking and access to the garage via electrically operated garage door. Planted rockery style wall housing a variety of colourful hedgerow to the boundary line. Leading through the pedestrian gate to the right hand side the garden opens out to a block paved patio seating area (ideal for entertaining) which returns to the back of the house and offers a personal access door into the garage. Stepped access then rises to the main part of the garden itself, which is split into various sections being predominantly lawned with planted rockery beds (ideal for plants, bushes, shrubbery or vegetables). To the right hand side of the garden towards the back of the garage there is a raised timber decked seating area (ideal for entertaining) and a timber garden shed. Steps lead through the garden to a pedestrian gate, which offers direct access to the footpath beyond offering fantastic walks within the surrounding area. Within the garden there is also a useful understairs externally accessed store with double power socket. The garden also offers external sensor lighting points and water tap.

DETACHED GARAGE
