Sandiacre, Nottingham NG10 5EH

£550,000 Freehold

AN EXTENDED FOUR BEDROOM
DETACHED HOUSE.

We have great pleasure in offering for sale this substantial three reception room, four bedroom, two bathroom detached family residence.

Significantly extended and improved from its original form, this property is situated on a generous garden plot of around 0.12 of an acre in this highly regarded residential suburb. The property comes to the market in a ready to move into condition.

When you open the front door, you are welcomed into a generous hallway with stairs leading to the first floor and access to the ground floor living accommodation. There is fantastic flexibility with the accommodation, with the lounge to the front (with open fire), separate larger sitting room (with cast iron log burner) and there is a useful study (ideal for those looking to work from home).

Without a doubt, the USP of this house is the impressive open plan family dining kitchen, with a vaulted ceiling having Velux double glazed windows which bring in an abundance of natural light and many windows and French doors opening to the rear garden. This has a high quality range of fitted kitchen units with an array of built-in appliances, including two sets of double ovens and a five ring induction hob (great for those who enjoy cooking). There is a central island unit with boiling hot tap, built-in breakfast bar, and dining table, making this an ideal space for socialising and entertaining with family and friends.

Completing the ground floor is a useful utility room with separate cloaks/WC, and an integral bespoke size garage.

Rising to the first floor, the landing provides access to four well proportioned bedrooms, the principal with large dormer window to the front and a generous en-suite providing a contemporary wet room. The family bathroom also offers a touch of luxury with a roll top bath and separate shower cubicle.

Off-street parking is provided for two cars to the front and access to the single garage with electric roller doors. The rear gardens are another feature of this home with a generous patio area beyond the rear elevation (great for BBQing and relaxing in the Summer months), there is a central section of garden laid to lawn and at the foot of the plot, there is a Mediterranean inspired garden terrace with large raised patio area to a covered seating area with space for a hot tub. There is attractive lighting, allowing this space to be used all year round.

Situated within the original village of Sandiacre (now a small town), the property is ideally placed for both families and commuters alike, as schools for all ages are within walking distance and for those who enjoy the outdoors, Stoney Clouds Nature Reserve is also only a stroll away. Sandiacre has a good variety of shops and facilities, as well as good transport being a short drive to the A52 linking Nottingham and Derby, along with Junction 25 of the M1 motorway.

We believe this property is ideal for growing families, looking particularly for flexibility and generous space to the ground floor and good size gardens.
