£475,000 Freehold

A SUBSTANTIAL THREE/FOUR BEDROOM
DETACHED FAMILY HOUSE SITUATED IN
THIS POPULAR VILLAGE LOCATION.

ROBERT ELLIS ARE DELIGHTED TO WELCOME TO THE MARKET THIS SPACIOUS, EXTENDED THREE/FOUR BEDROOM DETACHED FAMILY HOUSE SITUATED IN A POPULAR AND SOUGHT AFTER VILLAGE LOCATION.

With generous accommodation over two floors, the ground floor comprises entrance porch leading through to an inner hallway, dining room, sitting room, ground floor bedroom/office, spacious family dining kitchen, rear porch, WC and utility room. The first floor landing then provides access to the three piece bathroom suite, two good size double bedrooms and walk-through dressing room / nursery leading through to another large first floor double bedroom.

The property also offers the potential to create a ground floor annexe area utilising the ground floor bedroom/office with an adjoining utility area and ground floor WC. Subject to the relevant permissions and approvals, this area could potentially be created into a ground floor space for a dependent relative or a teenager.

The property also benefits from gas fired central heating from a combination boiler, double glazing, generous gardens and patio areas to the front and rear, as well as having a private block paved driveway with space for three cars to the rear leading to a detached double garage (brick built) with roller door, power and lighting.

The property is situated in this ever-popular Nottinghamshire village location which offers easy access to excellent nearby schooling, including a local village primary school. There is also easy access to ample outdoor countryside and green space via Pit Lane, the Erewash Canal footpath and the disused Nottingham canal footpath. There is excellent access to good transport links to and from the surrounding area such as the Ilkeston train station, frequent buses to Ilkeston and Nottingham (and a number of secondary schools), motorway junctions and the Nottingham tram terminus situated at Bardills roundabout. Vehicular access to the property is via a quiet cul-de-sac to the rear.

We believe the property would suit a large and growing family and we highly recommend an internal viewing.

OUTSIDE TO THE FRONT

To the front, the property is set back from the road. There is a generous garden with wrought iron pedestrian gate and shaped stepping stone style pathway providing access to the front of the building. The front garden is split into two lawn sections either side of the curved pathway with an array of planted beds and borders housing a well stocked range of specimen bushes, shrubs, trees and plants. At the front of the building, there is a gravelled area and access on both sides of the house to the rear garden.

OUTSIDE TO THE REAR

The rear garden is of a good size and proportion, being split into various sections with paved patio and decked seating entertaining spaces with decorative slate chippings and block paved style pathways providing access to the rear driveway and double garage. Within the garden, there is a timber summerhouse with power sockets, as well as an adjoining log store and coal bunker. The garden has a central lawn section, also with planted beds and borders, housing a further variety of specimen bushes, shrubs, trees and plants. Adjacent to the garage at the rear of the plot, there is also a further paved raised seating area with decorative gravel stone chippings. A block paved pathway from the garden leads to the rear driveway providing off-street parking for up to three vehicles, which in turn gives access to the double garage. There are also water butts, an outside water tap and power points.
