ROBERT ELLIS ARE DELIGHTED TO WELCOME TO THE MARKET THIS EXTREMELY WELL PRESENTED AND EXTENDED THREE BEDROOM, TWO BATHROOM DETACHED FAMILY HOUSE SITUATED IN THIS POPULAR AND WELL ESTABLISHED RESIDENTIAL CATCHMENT LOCATION.

With accommodation over two floors, the ground floor comprises entrance hall, ground floor shower room, living room, dining kitchen and conservatory. The first floor landing then provides access to three bedrooms and a relatively recently replaced shower room.

A further benefit to the property is the utilization of the loft space which is accessed via a wooden pulldown ladder from the first floor landing, with a roof window, insulation, raised floorboards and could be used as a home office or general storage area.

The property also benefits from gas fired central heating, double glazing, off-street parking and enclosed garden to the rear.

The property sits favourably with access to nearby schooling for all ages such as William Lilley, Fairfield and George Spencer. There is also easy access to the shops and services within Stapleford town centre and nearby transport links such as the A52 for Nottingham/Derby, Junction 25 of the M1 motorway and the Nottingham electric tram terminus situated at Bardills roundabout.

We believe the property would make an ideal long term family home and we highly recommend an internal viewing.
