A TRADITIONAL THREE BEDROOM SEMI
DETACHED HOUSE.

Situated on a large than expected garden plot can be found this traditional three bedroom semi detached house.

What sets this property apart from many is the substantial rear gardens which have been a life's work for the current owners. The total plot measures approximately 0.14 of an acre, with a block paved driveway and parking facilities for at least three cars which leads to a single garage and gated access to further hard standing within the garden. The rear garden is beautifully maintained with lawns, patio, well tended bedding and a secret vegetable patch.

Benefitting from central heating and double glazing, the accommodation comprises entrance hall, lounge, open plan family dining kitchen (a great social space). To the first floor, the landing provides access to three bedrooms and shower room/WC.

Situated in this highly regarded residential suburb, great for families and commuters alike, schools for all ages are within easy reach including the popular Friesland School. For those needing to commute, there is a regular bus service within walking distance and the A52 and Junction 25 of the M1 motorway can be reached in two minutes.
