West Hallam, Derbyshire DE7 6GR

Price Guide £375,000 Freehold

A FOUR BEDROOM TWO BATHROOM
DETACHED COTTAGE SITUATED IN THE
HEART OF THIS DESIRABLE DERBYSHIRE
VILLAGE.

FOR SALE BY AUCTION - 30TH APRIL 2026

ROBERT ELLIS HAVE GREAT PLEASURE IN BRINGING TO THE MARKET ONE OF THE OLDEST PROPERTIES SET WITHIN THIS POPULAR DERBYSHIRE VILLAGE, HISTORICALLY THIS WAS THE VILLAGE POST OFFICE AND BEFORE THAT FOR MUCH OF THE 20TH CENTURY THE VILLAGE SHOP, WHICH IS NOW A FOUR BEDROOM, TWO BATHROOM DETACHED COTTAGE THAT WOULD MAKE AN IDEAL HOME FOR ANYONE LOOKING TO RESIDE IN A VILLAGE LOCATION.

With accommodation over two floors, the ground floor comprises entrance hallway, spacious living room with multi fuel fire, inner lobby, generous conservatory, breakfast kitchen, inner and rear lobbies, ground floor study, bedroom, shower room and utility room. The first floor landing then provides access to two generous first floor double bedrooms (one of which benefits from an en-suite), as well as a separate two piece WC situated at the top of the landing.

With minor modification, the ground floor bathroom, front bedroom, study and utility could create an ideal self contained living area, if required.

A particular feature of this is its advanced green technology. The property is all electric with a Samsung Air Source heat pump providing the property's heating (installed in 2022), as well as solar panelling with battery back-up system with 14 South facing panels, offering a reduction in energy costs, as well as an income stream (also fitted in 2022).

The property also benefits from an extensive, private, south-facing, walled garden with outbuildings/storage ideal for keen gardeners.

Originally two separate cottages, believed to date back to the early 1820's, this centrally located property offers easy reach to the nearby village amenities, as well as easy access to ample outdoor countryside, as well as good transport links out of the area and beyond towards Ilkeston train station, Derby, A610 and motorway junctions.

We believe the property would be ideally suited to those looking to reside within a rural setting, yet remain within easy reach of excellent nearby local amenities.

Due to the overall size and character of this conservation area property, we would highly encourage an internal viewing to fully appreciate.
