A THREE/FOUR BEDROOM BAY FRONTED  
SEMI DETACHED HOUSE.

**£209,995 Freehold**

ROBERT ELLIS ARE PLEASED TO BRING TO THE MARKET THIS BAY FRONTED TRADITIONAL THREE/FOUR BEDROOM SEMI DETACHED HOUSE SITUATED IN THIS POPULAR VILLAGE LOCATION.

The accommodation is split over two floors, the ground floor comprises entrance hall with staircase rising to the first floor, bay fronted lounge, kitchen, ground floor bathroom and conservatory. The first floor landing provides access to the bedrooms with the front bedroom having been internally split with a partition wall creating two bedrooms at the front. This room could easily be divided back into one main room (if required) by the removal of the central partition wall. The property benefits from an unregulated converted attic space with a wooden pull down ladder. The attic space benefits from a skylight, boarding, plastering, power and lighting, which has been used by the current owners as an office space.

The property also benefits from gas fired central heating from a combination boiler, uPVC double glazing, re-fitted kitchen and bathroom (2014), off-street parking and generous garden space to the rear.

Historically, the property has also had drawings submitted for a two storey side extension creating further space on both levels. However, plans were never fully submitted for approval and would need to be re-investigated by the onward purchaser (if required).

The property is located in this popular village location which has an excellent nearby village school, offers easy access to the nearby towns of Stapleford and Ilkeston which offer a wide variety of shops and services. There is also easy access to open space and countryside and nearby transport links such as the A52, M1, tram and train stations.

We believe that the property would make an ideal first time buy or young family home and would highly encourage and internal viewing.
