Robert Ellis are pleased to offer for sale this two double bedroom first floor apartment located within this landmark Grade II listed former Victorian lace mill.

This stylish apartment retains part of the original character and heritage of the building and has been recently and fully refurbished to an extremely high standard with features including an open plan living/dining kitchen with high quality units with integrated Smeg appliances and a useful walk-in store cupboard.

The master bedroom boasts a Villeroy and Bosch en-suite shower room and the main bathroom is finished with the same luxury specification.

Situated within the heart of Sandiacre and adjacent to Erewash Canal and forms part of the Nutbrook Trail from the Trent Lock in Sawley leading through to Shipley Park further into Derbyshire. This attractive foot and cycle way leads to many destinations including Attenborough Nature Reserve, Beeston and Nottingham.

Springfield Mill is well positioned within the centre of Sandiacre, close to many amenities including a Lidl supermarket and highly reviewed restaurant and bistro. There are also further amenities in the nearby towns of Long Eaton and Stapleford and for those looking to commute, approximately ½ mile away can be found J25 of the M1 motorway as well as the A52 linking Nottingham and Derby. East Midlands Airport is approximately 20 minutes drive away.

The property benefits from a designated parking bay within the secure courtyard. There is a good amount of security with an app linking to the vehicle and pedestrian gates as well as the entrance lobby where there is an attractive staircase and recently installed lift.

Originally built in 1888, this former mill was converted into 104 luxury apartments in 2006 and had a renovation project in 2023, both externally and internally following a fire in 2020 and complies with all the latest safety regulations.

The property will suit owner occupiers as well as long term buy to let investors, the property was currently let at a rental of £1,095 pcm. We recommend an early internal viewing to fully appreciate the accommodation.
