A SURPRISINGLY SPACIOUS THREE
BEDROOM DETACHED HOUSE.

A first glance is not nearly enough to appreciate this surprisingly spacious three bedroom detached family home located in a small no-through road of four properties.

Extended to the ground floor, spacious and adaptable living accommodation, great for growing families. For example there is a generous front reception room which could be put to many uses and great as a family playroom or for those looking to work from home. It could be used as an occasional fourth bedroom as there is a useful shower room/WC also on the ground floor. The rear reception room has been extended to provide for a living dining room which also has a conservatory beyond enjoying aspects over the rear garden.

Further features include a modern fully fitted kitchen with feature range-style cooker and useful utility room. This well presented property benefits from double glazing, gas fired central heating and solar panelling giving cheaper electricity and also the benefit of the Government Feed-In Tariff that will be passed to the new owner.
