A CHARMING AND RENOVATED TWO
BEDROOM SEMI DETACHED COTTAGE.

ROBERT ELLIS ARE DELIGHTED TO BRING TO THE MARKET, WITH NO UPWARD CHAIN A CHARMING AND RECENTLY RENOVATED TWO BEDROOM SEMI DETACHED COTTAGE, WITH AN HISTORICAL INTEREST TO THE LOCAL AREA.

Recent renovations throughout include the refitting of a new gas fired central heating combination boiler, new kitchen, new bathroom, redecorated and new floor coverings throughout. There have also been significant improvements externally with the tidying up of both the front and rear garden, painting of all the fencing and the useful addition of the external utility/washroom which could also potentially be doubled up as a home office or garden room.

The accommodation, over two floors, comprises living room and breakfast kitchen to the ground floor. The first floor landing then provides access to two bedrooms and a newly installed three piece bathroom.

The property is situated within close proximity of the shops and services within the nearby towns of Sandiacre, Stapleford and Long Eaton. There is also easy access to an array of nearby schooling for all ages, such as Ladycross, Cloudside and Friesland Schools and for those needing to commute, direct links to the A52, junction 25 of the M1 Motorway and the Nottingham Express Tram terminus and i4 bus links.

We believe the property would make an ideal first time buy as it is in ready to move into condition and we highly encourage an internal viewing to fully appreciate the renovation works undertaken over recent months.
