OUTSIDE

To the front of the property there is a lowered kerb entry point to a tarmac driveway providing off-street parking which leads to the detached garage. The front garden is designed for straightforward maintenance with decorative slate chippings and a planted rockery style front garden housing a variety of bushes and shrubbery. There is a shaped pathway with grab rails to either side which provides access to the front entrance door and there is pedestrian gated access leading to the rear garden.

TO THE REAR

The rear garden is split into two sections with a raised decked entertaining space with decorative wooden balustrade. This then leads to the main part of the garden which is predominantly lawned and enclosed by timber fencing with planted borders housing a variety of bushes and shrubbery. Pedestrian gated access which leads back to the front, as well as a personal access door into the rear of the garage.

GARAGE

17'7" x 8'7" (5.36 x 2.63)
