A 2/3 BEDROOM THREE STOREY TOWN HOUSE WITH WATERSIDE REAR ASPECT.

We have great pleasure in offering for sale this 2/3 bedroom three storey town house with waterside rear aspect.

Having the enviable position of backing onto the Erewash Canal, with the benefit of a mooring (subject to a license from British Waterways). The attractive waterside and sunny aspect is maximised by a good sized conservatory, an attractively landscaped rear garden, as well as the living room on the first floor with Juliette balcony.

Offering surprising spacious and versatile accommodation which comprises an entrance hall, cloakroom/WC, utility room and study which could equally be used as a ground floor bedroom as well as being great for those working from home. This opens through to the conservatory. To the first floor can be found an open plan dining kitchen and living room with rear aspects. To the second floor are two double bedrooms, the master with en-suite shower room, and family bathroom completes the accommodation.

Located in a cul de sac of similar modern properties, the property benefits from off-street parking for two vehicles and an integral single garage which has the potential to be converted into more living space (subject to the necessary permissions, etc).

The Erewash Canal is a fully operating watercourse which links to Sawley Marina and also forms part of the Nutbrook Trail, a cycle and footpath linking from Sawley to Shipleigh Country Park. Located in the heart of Sandiacre conveniently placed close to local amenities and great for commuting further afield as the A52 for Nottingham/Derby and Junction 25 of the M1 motorway is a few minutes drive away.

We strongly recommend an early internal viewing to avoid disappointment.
