Details

Entrance

An external uPVC door with a decorative opaque glazed panel gives access to the kitchen.

Kitchen

The kitchen has an array of wall cupboards, base units and working surfaces with tiled surrounds. There is a one-and-a-half bowl stainless steel sink with a mixer tap and housing for a freestanding American style fridge freezer. The range style cooker incorporates a five-ring gas hob with a hotplate and ovens beneath, a stainless steel splash-back and a filter hood. There is a uPVC window, ceiling downlighting, a radiator and tiled flooring that continues into the utility.

Utility

This room has wall cupboards, base units and worktops to match the kitchen. There is space for additional freestanding appliances, such as a fridge or freezer, and plumbing for an automatic washer. Concealed is the boiler for the central heating system. There is a continuation of the tiled flooring and ceiling downlighting. The room has a stable style timber and glazed door to the rear and a radiator. A further door leads to the living room and access can be gained to the cellar.

Dining Room

This spacious reception room is positioned at the front of the property and accessed via the kitchen. It can easily accommodate a good sized dining table and has oak flooring, a uPVC window and a radiator. A door leads to the inner lobby.

Inner Lobby

A staircase rises to the first floor accommodation.
