## Swallow Lane, Golcar Huddersfield,

Offers in the region of  
**£240,000**

Located a short distance from the centre of this popular village is this three-bedroom stone built end of terraced property, with a driveway to the side and a rear garden with a south-westerly aspect. It would make an ideal commuting base, with ease of access to the M62 motorway network. The light and bright interior is presented to a high standard throughout. The accommodation comprises a large living room with exposed stonework, beams and a multi-fuel stove; kitchen and vaulted keeping cellar. On the first floor are three bedrooms and a house bathroom. The property has a gas-fired central heating system and predominantly uPVC double-glazing. Externally, the rear garden enjoys the afternoon sun and has seating areas. There is a driveway and a timber shed.

## Details

### Entrance

A composite external entrance door with opaque glazed panels gives access into the living room.

### Living Room

This room is spacious and characterful, maximising natural lighting via large uPVC windows to the front elevation. It has timber floorboards throughout, with stone flags at the entrance. The focal point of the room is a floor-to-ceiling fireplace, home to a glazed door, multi-fuel stove on a stone hearth. There is exposed stonework to the alcoves and exposed beams, with plenty of space for furniture. The room has two radiators and a neutral colour pallet. A spindle staircase rises to the first floor accommodation and a timber and glazed door gives access to the kitchen.

### Kitchen

The kitchen is positioned at the rear of the property, which has a south-westerly aspect, being particularly light and bright. There are wall cupboards, base units with worktops and a stainless steel sink. There is space for a freestanding gas cooker, above which is a canopy style filter hood, and space for further freestanding appliances. The room could accommodate a small bistro style folding table. There is grey laminate flooring, a uPVC window and a radiator. Concealed is the boiler for the central heating system. An external composite door with opaque glazed panels gives access to the rear of the property. Steps lead down to the vaulted cellar.

### Cellar

The good-sized cellar has plumbing for an automatic washer and space for further kitchen appliances, such as a freezer or tumble dryer, etc.
