Wellington Street, Lindley Huddersfield,

Offers over £130,000

Located to the heart of Lindley within walking distance of the hospital, Lindley village with its various amenities and recommended local schooling is this two bedroom terrace property. Although in need of a programme of modernisation the property may well prove suitable to a professional couple or first time buyer looking for convenient access to the M62 motorway networks. The property comprises an entrance hall, lounge, kitchen/diner and rear entrance, useful cellar and to the first floor two bedrooms and a house bathroom. To the front of the property there is a low maintenance garden and to the rear is a further garden and a detached garage suitable for off road parking.

Wellington Street, Lindley Huddersfield,

Details

Entrance Porch

A uPVC door with a matching overlight opens to the entrance porch which has uPVC windows to the front and side elevations. A timber door with glazed inserts gives access to the entrance hall.

Entrance Hall

The entrance hall has a staircase rising to the first floor landing and access can be gained to the following rooms:

Living Room

This room is positioned at the front of the property and has uPVC double-glazed windows and a shutter. There is coving to the ceiling, a ceiling light point, two radiators and useful fitted shelving to one alcove. A gas fire is set to a tiled hearth with a timber surround.

Kitchen Diner

The kitchen has a range of wall and base cupboards, roll-edge worktops with matching upstands and a stainless steel sink unit with twin taps. There is space for a freestanding oven and fridge freezer. A uPVC double-glazed window provides natural light from the rear elevation and has fitted shutters. The dining area has a uPVC double-glazed window to the front elevation, a radiator and houses the Baxi central heating boiler.

Rear Entrance

The rear entrance comprises a uPVC door leading out to the rear garden. A timber door leads down to a useful cellar.

First Floor Landing

From the entrance hall, a staircase rises to the first floor landing, which has natural light from a uPVC double-glazed window. There is a central ceiling light point and access can be gained to the following rooms:
