Details

Entrance

A barn style composite door with a decorative double-glazed insert opens to the kitchen.

Kitchen

The kitchen has a range of wall and base cupboards, drawers, roll-edge worktops and a stainless steel sink unit. There is plumbing for an automatic washing machine, space for a freestanding cooker and hob, along with under stairs storage for a freestanding fridge freezer. The room has laminate style flooring, tiling to one wall, a ceiling light point and a radiator. A timber framed window allows natural light from the front elevation. The Potterton central heating boiler is housed in this area.

Living Room

Accessed via a timber and glazed door, this reception room is positioned at the rear of the property and has timber framed windows. A range of original features including exposed stone mullions and timber beams to the ceiling. There is a lovely window seat and a composite door with decorative inserts gives access to the rear garden. The room has a ceiling light point, a radiator and a barn style door providing access to a staircase leading to the first floor accommodation.
