Details

Entrance Hall

With hanging hooks, a ceiling light point and a staircase rising to the first floor.

Living Kitchen

The living area has a large uPVC double glazed window looking out onto the garden area to the front elevation. There is a central ceiling light point, power points and a radiator. The kitchen is open to the living room and comprises of modern high gloss base cupboards and worktops, matching upstands and wall cupboards over. There is a split level hob and an oven with extractor hood, an inset stainless steel sink unit with overlying mixer tap. With inset downlights to the ceiling and a Karndean style floor running throughout. A single panel door gives access to the cellar where there is plumbing for an automatic washing machine and the steps lead down to a useful keeping cellar.

Main Bedroom

This generous sized double bedroom has a uPVC double glazed window looking down to the garden below along with power points, TV aerial point and a radiator.

House Bathroom

Having a white suite with low flush WC, pedestal hand basin with mixer tap over and power bath with a mixer tap shower head. The walls are tiled with contrasting tiled floor. There is a ceiling light point, wall mounted chrome ladder style heated towel rail and this room is home to the Vaillant central heating boiler.
