Entrance

An external entrance door with an entry phone system gives access to the communal hallway, from where steps lead up to the apartment on the top floor. An external door gives access to the apartment's hallway.

Hallway

The hallway has a good-sized storage cupboard, ideal for storing shoes and coats, etc. It has an airing cupboard housing the cylinder for the hot water system. There is a telephone for the entry phone system, coving to the ceiling and a radiator. At the far end of the hallway, a door leads into the living room.

Living Room

This good sized room is positioned at the front of the apartment and can accommodate a good amount of furniture. It has neutral decor and grey carpeting, coving to the ceiling and a radiator. There is a uPVC window to the front elevation. Off the living room is the kitchen.

Kitchen

The kitchen has wall cupboards and base units with worktops, tiled surrounds and a stainless steel sink. Integrated appliances include a four-ring gas hob with a canopy style filter hood above and a double oven beneath, fridge freezer and washing machine. There is plumbing for a dishwasher. Concealed is the boiler for the central heating system. The room has a uPVC window and ceiling downlighting.
