## Details

### Entrance Hallway

An external composite door with decorative opaque glazed panels gives access into the hallway. The initial portion of the hallway has robust carpeting and there is a radiator. A spindle staircase, with a useful storage cupboard beneath, rises to the first floor accommodation. A timber and glazed door leads into the living room.

### Living Room

This good-sized reception room is positioned at the front of the property and has neutral decor. There is a wide uPVC window overlooking the garden, coving to the ceiling, provision for a wall-mounted TV and a radiator.

### Dining Kitchen

Off the hallway, a timber and glazed door leads into the dining kitchen, which runs the full width of the home and creates a large open-plan eating and entertaining space. It has been recently updated and comprises wall and base units with worktops extending to create a breakfast bar. Integrated appliances include a Bosch electric oven with a stylish filter hood above and an electric double fan oven beneath. There is a one-and-a-half bowl stainless steel sink with a mixer tap also providing instant boiling water. The room has space for a freestanding American style fridge freezer and a large pull-out shelved larder. There is plenty of space in the dining area for a table, grey laminate flooring, provision for a wall-mounted TV and a radiator. A rear uPVC window overlooks the garden and there are French doors providing access into the garden. A timber and glazed door leads to the utility area.

## Details

### Utility Area

This room also has a uPVC and glazed door. It has floor tiling, plumbing for an automatic washing machine and space for additional appliances, such as a condensing dryer. A doorway leads to a slightly smaller area with a continuation of the floor tiling and French doors leading out into the garden. This area houses the instant gas water heater and has plenty of extra space for a home office or gaming area, etc.

### First Floor Landing

From the hallway, a staircase rises to the first floor landing, which has a side uPVC window.

### Bedroom One

This large double bedroom is positioned at the front of the property and has plenty of space for furniture. It has provision for a wall-mounted TV, a uPVC window with views towards Castle Hill in the distance and a radiator.

### Bedroom Two

This double bedroom is positioned at the rear of the property and has built-in wardrobes with matching drawers and display shelving above. It has a recessed storage cupboard, which houses the Ideal Logic central heating boiler. There is a uPVC window and a radiator.
