Living Room

As the floor plan and photography demonstrates, this is a very spacious principal reception room positioned at the front of the property. It is presented to a high standard, with plenty of space for furniture. The focal point of the room is a limestone fire surround with a matching inlay and hearth, home to an electric fire. At the far end, uPVC French style doors lead out onto a covered balcony. There is coving to the ceiling and two radiators.

Dining Kitchen

Accessed from the hallway, the dining kitchen is positioned at the front of the property and is of a good size. The kitchen section has units to high and low levels, worktops with tiled surrounds and a one-and-a-half bowl stainless steel sink with a single drainer. Integrated appliances include a fridge, freezer, four-ring gas hob with a pull-out filter hood above and an electric fan oven. There is space and plumbing for an automatic washer and this area includes the boiler for the central heating system. There is a uPVC window to the front elevation and tile effect vinyl flooring. The adjoining dining area is carpeted and can accommodate a formal dining/bistro table. It has neutral decor and a radiator.
