Oakfield Road, Birkby Huddersfield, Yorkshire

Offers over £700,000

Only by internal inspection can one truly appreciate the standard and finish of this exceptional property. Situated in a quiet no-through-road position, this four double bedroom detached family home offers both privacy and convenience. The property is conveniently located for easy motorway access, Huddersfield Royal Infirmary, well-regarded local schools, and the amenities within Lindley village centre. This spacious accommodation is arranged over two floors and briefly comprises: an inviting entrance hall, formal lounge, and an impressive, modern stylish open-plan kitchen/diner featuring high-end integrated appliances. There is also a utility/boot room, a ground floor bedroom with en-suite, a separate shower room, and a guest bedroom with en-suite facilities. To the first floor, a generous landing area with useful storage cupboards leads to two further double bedrooms (one with en-suite) and a modern house bathroom. Externally, the property benefits from a double garage (currently utilised as a home gym) with an electric roller shutter door, and a large tarmac driveway providing off-road parking for several vehicles. To the rear is a feature patio seating area and lawned garden, both enjoying a desirable westerly aspect. The property further benefits from a gas-fired central heating system and is double glazed. Viewing is highly recommended.

Details

Entrance Hall

Stone steps lead up to a covered entranceway with outside downlights. A large composite style door with double-glazed windows at either side opens to the spacious entrance hall. The hallway has oak flooring, contemporary style radiators, ceiling downlighting and plenty of space for storing shoes and coats. There is a Veritas alarm system and an open tread staircase leading to a half landing. From the entrance hall, access can be gained to the following rooms:

Kitchen Area

A timber door gives access to the kitchen area, which has a lovely open-plan aspect with oak flooring running throughout, with uPVC windows overlooking the front and side elevations. There is a range of modern base cupboards, drawers, roll-edge granite style worktops with matching upstands. Integrated appliances include a Smeg six-ring range style cooker with overlying canopy style filter hood, Fisher & Paykel double-drawer dishwasher, double stainless steel sink unit with overlying mixer tap. There is space for an American style fridge freezer, feature wine storage and a butler's pantry, which currently houses the microwave and could be used as a coffee station. A feature island has granite style working surfaces and storage beneath. The room has exposed beams to the ceiling, a contemporary style radiator, ceiling downlighting, a ceiling light point over the feature island and a stylish log burner. The oak flooring continues through to the dining area.

Dining Area

The dining area is open-plan to the kitchen and has wow factor floor-to-ceiling aluminium framed double-glazed windows and matching bi-fold doors. There are four Velux windows, two of which are electric, a uPVC window to the side elevation and a contemporary style radiator. A timber and bevelled glazed door leads to the side entrance/utility area.

Details

Side Entrance/Utility

This area has a tiled floor, feature panelling to one wall with coat storage, a contemporary style wall-hung radiator and ceiling downlighting throughout. A uPVC double-glazed window provides natural light from the side elevation, and a timber door with uPVC double-glazed windows to either side provides a second entrance to the property. The utility area has a range of base cupboards, a Belfast style sink unit with overlying hose-style tap and plumbing for an automatic washing machine. There are useful storage cupboards with hanging rails and shelving. A timber door gives access to the rear garden.

Formal Lounge

From the entrance hall, a timber door gives access to the formal lounge, which has a continuation of the oak flooring, feature panelling to one wall and a contemporary style radiator. It has ceiling downlighting throughout and a central ceiling light point. Aluminium bi-fold doors lead out to a patio seating area. The focal point of the room is a log burner, set to a stone hearth with a brick surround. There is feature log storage to both alcoves and provision for a wall-mounted television.

Shower Room

This modern white suite comprises a walk-in shower with a waterfall style shower head, recessed storage for shower products with downlighting; a wall-hung wash hand basin with mixer tap and a low-level WC with concealed cistern. There is downlighting throughout, an extractor fan, appropriate tiling to the walls and tiling to the floor.
