Stanley Road, Ainley Top Huddersfield, Yorkshire

Offers over £200,000

This well-appointed, recently modernised brick and rendered semi-detached house is positioned towards the end of this popular residential cul-de-sac, a short distance from Lindley Village with its various bars, restaurants and recommended schooling. It is a short drive from the M62 motorway network serving Leeds and Manchester centres. The property may prove suitable for a first time buyer. The accommodation comprises an entrance lobby, open living room/diner and a contemporary style kitchen. On the first floor, there are two double bedrooms, the master with an en suite shower room, and a modern house bathroom. The property has a gas-fired central heating system and is fully uPVC double-glazed. Externally, there is a paved garden area to the front of the property, whilst a tarmacked driveway provides parking and access to a detached garage with an electrically operated up-and-over door. The garage has been partly converted into a storeroom and a home office, with power and light. There is a flagged garden to the rear and a barbecue area. An open tread staircase arises to the garage roof to a sun terrace with stainless steel upright posts and double-glazed panels.

Details

Entrance Lobby

A composite style door with a leaded double-glazed insert opens to the entrance hall, where there is timber panelling to dado height, along with ceiling light point, a radiator and a tiled floor. A staircase rises to the first floor accommodation.

Living/Dining Room

This room certainly has the wow factor and is particularly stylish, this contemporary style room has lots of light from the front elevation via a walk-in splayed uPVC double-glazed bay window with recently fitted shutters. There is a central ceiling light point, along with Amtico style flooring throughout. The focal point is a clad chimney breast, home to a wall-mounted TV. There are two wall light points and a central ceiling light point. The dining area has a useful understairs store cupboard, a radiator and uPVC double glazed windows providing natural light from two elevations.

Details

Kitchen

The kitchen has a range of modern wall cupboards and base units, drawers, marble worktops with matching upstands and a stainless steel sink unit. Integrated appliances include an oven and split-level hob with an overlying extractor hood, fridge freezer and dishwasher. A uPVC double-glazed window overlooks the rear garden. This room is also home to the Worcester Bosch central heating boiler. A stable style door gives access to the rear garden.

First Floor Landing

From the entrance hall, a staircase rises to the first floor landing, which has inset downlights to the ceiling, timber panelling to dado height and a ceiling light point. There is access to loft space and a uPVC double-glazed window provides natural light from the side elevation.

Details

Bedroom Two

This double bedroom is positioned at the rear of the property and has a built-in storage cupboard over the bulkhead. It has a ceiling light point and a radiator.

En Suite

This area is open to the second bedroom and incorporates a low-level WC, vanity hand basin with a mixer tap and high quality storage cupboard beneath and a walk-in shower area with a mains fed shower. The walls are aqua boarded, along with a contrasting tiled floor, inset downlights to the ceiling and an extractor fan. Two uPVC double-glazed windows provide natural light from two elevations.

External Details

At the front of the property, there is a patio garden and a tarmac driveway provides ample parking and access to the rear. There is a detached garage at the rear of the property with an electrically operated up-and-over roller door. The garage has been converted to form storage and a home office. The home office area has a uPVC double-glazed window to the rear elevation, power and light points and laminate style flooring. The rear garden has fencing, a patio and a barbecue area. An open tread staircase with stainless steel handrail rises to the sun terrace on the garage roof. The sun terrace is a lovely area to sit out in the summer months, and has bevelled glazing to four elevations and composite decking.

Tenure

The vendor informs us the property is freehold.
