This three-bedroom semi-detached home enjoys a cul-de-sac setting amongst other detached family homes. When originally constructed, it was detached. The property is located in this popular village, with a semi-rural feel, and would be a perfect commuting base. The accommodation comprises an entrance hallway, downstairs WC, living room, dining room and kitchen (the last two rooms could be incorporated into one large dining kitchen with access into the rear garden, subject to any necessary permissions or consents). On the first floor, there are three bedrooms and a bathroom. The property has a gas-fired central heating system and uPVC double-glazing. Externally, there is a double width driveway at the front and, at the rear, a garden area with seating areas and a lawn, having a pleasant view towards Outlane Bowling Club. The property has the advantage of no onward chain.
