MARTIN THORNTON PLATINUM

This four-bedroom, detached family home is set back from Springwood Hall Gardens and is one of just four detached homes on a private cul-de-sac. It has large reception rooms, two en suites, extensive parking and a double garage. It is well placed for local amenities, the town centre, the train station and schooling. The property is offered with the advantage of no onward chain. The spacious accommodation comprises an entrance lobby, hallway, guest WC, good-sized living room, spacious second reception room (be it as a dining room or second sitting room), dining kitchen with access to the rear patio and a utility. On the first floor, there are four double bedrooms, two with en suites, and a house bathroom. The property has a gas-fired central heating system, majority uPVC double-glazing and a security system. Externally, the property occupies a good-sized plot with parking for several vehicles and a double garage. There are lawned front and rear gardens.

Details

Entrance Lobby

An external entrance door with decorative opaque glazed panels gives access to the entrance lobby. This area is perfect for storing shoes and coats, etc. It has a decorative tiled floor and a radiator. From here, a timber and multi-panelled glazed door leads into the hallway.

Hallway

The spacious entrance hallway has a spindle staircase rising to the first floor accommodation. There is coving to the ceiling, a radiator and a continuation of the floor tiling. A door leads to the double garage and a further door leads to the guest WC.

Guest WC

This room houses a two-piece suite comprising a pedestal wash hand basin and a low-level WC. There is appropriate tiling to the walls, floor tiling and an extractor fan.

Living Room

Off the hallway, a door leads into the living room, which is a good-sized principal reception room positioned at the front of the property. It has a uPVC bay window and a timber fire surround with a marble finish inlay and hearth, home to a coal effect fire. There is coving to the ceiling, wall light points and two radiators. A wide archway leads through to the dining room.

Dining Room

This room can also be accessed from the hallway. It is a multipurpose space, be it as a formal dining room or a second sitting room, etc. A broad uPVC double-glazed window overlooks the rear garden. There is plenty of space for a formal dining table, coving to the ceiling, a radiator and a wall light point. Buyers may decide to amalgamate this room with the adjoining dining kitchen to create a full-width open-plan area that backs onto the garden.

Dining Kitchen

Accessed from the hallway with a continuation of the floor tiling, this is a spacious, light and bright room positioned at the rear of the property. The kitchen area has units to high and low levels with under-unit lighting, worktops with tiled surrounds and a one-and-a-half bowl stainless steel sink with a mixer tap. Integrated appliances include a double oven and a four-ring gas hob. There is space for freestanding appliances such as a fridge freezer, and plumbing for an automatic washer or dishwasher. The dining area can easily accommodate a formal dining table. There is a radiator, a rear uPVC window and French doors leading into the garden.

Utility

This room has matching units to that of the dining kitchen and a one-and-a-half bowl stainless steel sink. There is space for freestanding appliances, plumbing for an automatic washer and space for a condensing dryer. A timber and glazed door gives access to the garden. There is a continuation of the tiled floor and a radiator.

First Floor Landing

From the entrance hallway, a staircase rises to the first floor landing, which has spindle balustrading and a useful storage cupboard with shelving, housing the cylinder for the hot water system.
