Details

Entrance Hall

An external uPVC door with the upper portion having two opaque glazed panels gives access to the entrance lobby. This has the staircase which has been recently carpeted rising to the first floor accommodation. There is built in high level coat hooks and a radiator. On the left hand side an internal door opens into the living room.

Living Room

Having a light and bright interior and grey carpet this is a good sized reception room it has to the chimney breast a fire surround incorporating electric fire. To the left hand side of this is floor to ceiling storage, one of the large store cupboards houses the boiler for the gas fired central heating system. There is plenty of space for furniture, coving to ceiling wall light points and a radiator. A door then leads through to the rear lobby.

Rear Lobby

This has a side uPVC window there is base units with worktops and brick style tiled surrounds and it is handy extra storage space and from here steps then lead down to the kitchen.

Kitchen

Positioned on the lower ground floor, as the floorplan dimensions show, this is a large room and can easily accommodate a large formal dining table. It has base units with work tops and brick style splash backs. There is a free standing gas cooker with a filter hood above. There is an integrated fridge and freezer and beneath the worktops there is space/plumbing for washing or dishwasher. There is a stainless steel sink with single drainer, ceiling downlights, uPVC glazed window to the front elevation and a radiator and a door leads through to a utility area.

Utility

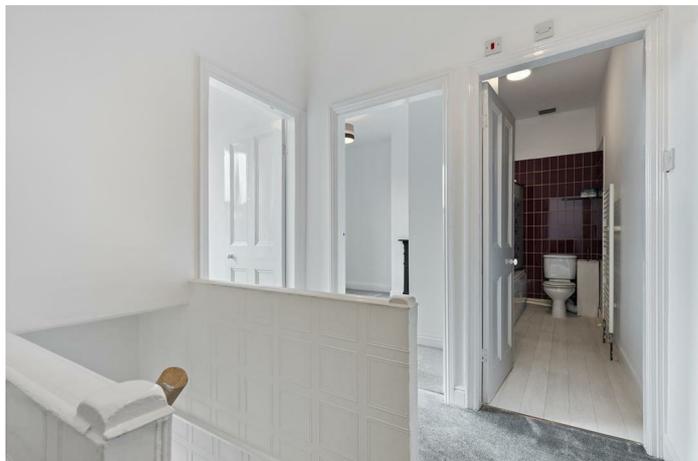

This has plumbing for an automatic washing machine and work top with storage beneath. There is a wall mounted hand basin with brick style tiled splashback.
