## Ground Floor

### Hallway

**13'3" x 5'9" (4.04 x 1.76)**

A carpeted hallway connects the downstairs living spaces, with a double panel radiator and ceiling lights making it a bright and welcoming entrance to the home. An internal entrance porch offers space for shoes and outdoor clothing, with a glass paned door through to the main hallway and a period stained glass window above.

### Reception 1

**15'0" x 12'11" (4.59 x 3.94)**

A well-presented, large reception room at the front of the house boasts a double glazed bay window on the front aspect. A gas fireplace with alcoves either side make this a comfortable space for gathering friends and family. With a central ceiling rose and coving, the room blends period features with modern décor. A double panel radiator sits against the wall by the glass paned door, completing the inviting social space.

### Reception 2

**12'4" x 10'7" (3.77 x 3.24)**

A good sized reception room sits at the centre of the house with a double glazed window on the rear aspect and double panel radiator below. A gas fireplace forms the focal point of the room, with ample space on the carpeted floor for seating, with alcoves either side ideal for entertainment units. A pendant light sits in a ceiling rose on the high ceiling, with coving around the perimeter of the room.

### Kitchen

**15'0" x 11'2" (4.59 x 3.42)**

A large kitchen diner at the rear of the property boasts an abundance of storage with over and under counter cabinetry and work surfaces on three sides. Appliances include a large Newworld range cooker with an eight ring gas hob and triple oven below, 1.5 sink and drainer and space for a freestanding fridge freezer. ANY OTHER APPS??? Dual aspect double glazed windows fill the space with natural light with two ceiling lights making it bright and useable in the evenings. With a black carpeted floor, panelled ceiling and orange tiled backsplash it's a spacious and airy space. An external door leads out to the rear yard.

## First Floor

### Middle Landing

**13'4" x 6'0" (4.07 x 1.83)**

A carpeted landing connects the first floor bedrooms with the bathroom and features a double panel radiator and pendant ceiling light making it a warm and bright communal space. A decorative arch and coving around the perimeter contrast against the grey wallpapered walls.

### Bathroom

**7'10" x 7'8" (2.39 x 2.36)**

A wet room bathroom sits off the first floor landing and services the bedrooms. The suite includes a corner bathtub, open shower enclosure, low flush toilet and a pedestal sink, with a heated towel rail beside the entrance. White vinyl flooring and two tone tiled walls make this a well-presented space to get ready in each day, with two frosted double glazed windows on the side aspect.

### Bedroom 1

**16'5" x 12'4" (5.02 x 3.78)**

An expansive main bedroom sits on the first floor and boasts a double glazed bay window and secondary double glazed window making it a bright airy space. The room currently houses a double bed, large freestanding wardrobes, a sofa and a desk so there's plenty of room to tailor it to your needs and lifestyle. A dark grey carpeted floor and neutral painted walls make it a blank canvas so you can add your touch, with period features including a ceiling rose and picture rail hinting at the history of the property.

### Bedroom 2

**12'3" x 10'8" (3.75 x 3.27)**

A double bedroom on the first floor features laminate wood flooring, neutral painted walls and coving around the perimeter. An older electric fireplace sits against the wall with a double panel radiator beside the double glazed window on the rear aspect. A good sized bedroom, it houses a king size bed, freestanding wardrobes and additional storage units, giving you flexibility in its configuration.

### Bedroom 5

**11'6" x 9'6" (3.52 x 2.91)**

Located at the rear of the house is a carpeted double bedroom, with a double glazed window overlooking the rear yard and a central ceiling light for the evenings. A double panel radiator sits against the wall by the entrance, with ample space for a bedroom setup, or equally good as a home office, hobby room or nursery depending on your needs.

## Second Floor

### Top Landing

**9'1" x 5'4" (2.78 x 1.64)**

A carpeted landing connects the two top floor bedrooms with a double glazed skylight and pendant light above the stairwell. Shelving on the landing provides space for storage with enough space for a storage unit if required.

### Bedroom 3

**16'4" x 11'5" (5.00 x 3.48)**

A spacious double bedroom sits on the top floor at the front of the property, with ample room for a king size bed, large freestanding wardrobes and drawer units with plenty of space left over. A double glazed skylight on the front aspect provides natural light with a pendant ceiling light for evening use. With a black carpeted floor, white painted walls and a statement feature wall with wallpaper in need of repair make a striking bedroom space. A door through to the eaves space provides additional storage in this well-proportioned room.

### Bedroom 4

**11'3" x 10'5" (3.45 x 3.19)**

A carpeted double bedroom sits off the top floor landing, with a double glazed skylight in the sloped ceiling. A double panel radiator sits against the wall with a central ceiling light above. Currently used for storage it would make a great bedroom, home office or hobby room too.

## Lower Ground

### Cellar

A large dry cellar sits beneath the property and offers a multi-functional space for a utility area, hobby room and storage. Split into three rooms, with a rear access door to the yard and a double glazed window on the front aspect that sits below ground level, it's a versatile space that you can decide what to do with.

### External

### Rear Yard

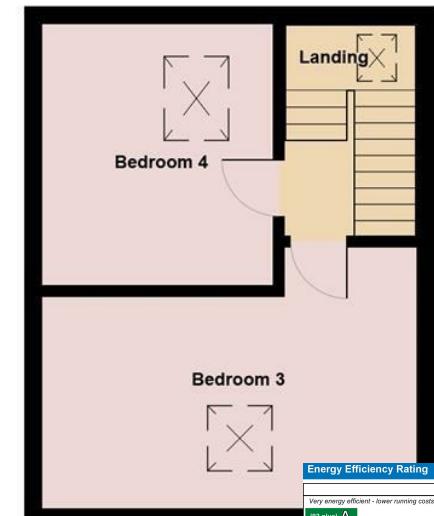

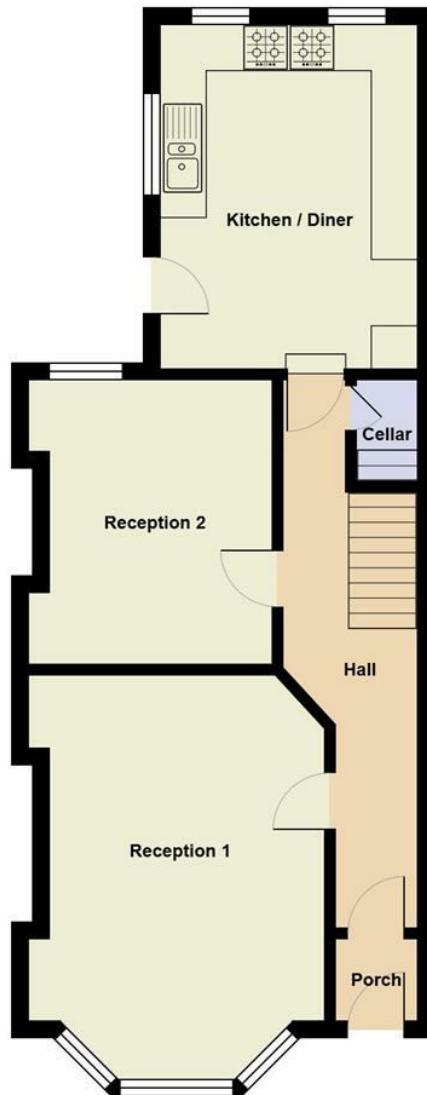

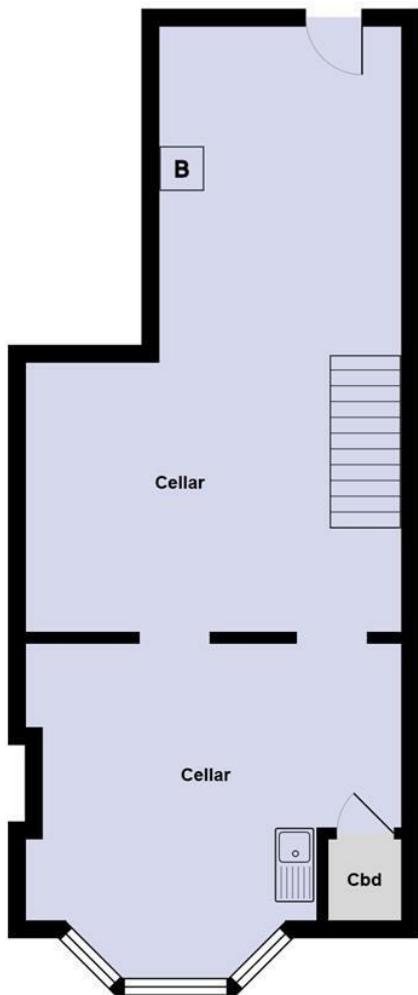

A well-proportioned courtyard garden sits to the rear of the house, offering seating and BBQ space, great for hosting family and friends in the warmer months. A rear access gate leads to the alley behind and there is a solid built outhouse offering secure storage for outdoor toys and equipment.
