Let's Take A Closer Look At The Area

Located close to Heysham Port, with bustling freight and ferry traffic, this property is only a short walk from the port and Heysham Power Station. The surrounding area is popular with working professionals looking for quality accommodation. The port provides access to the Isle of Man, Ireland and offshore platforms and also services Isle of Man residents and tourists to and from the island. Popular seasonal events include the world famous TT and Grand Prix races. This high specification apartment block is well connected and lies within a short distance of shops, food outlets and public transport (bus and

rail). The nearby coast consists of some spectacular beaches and rocky outlets with the village of Heysham offering further attractions such as the iconic St Peter's church and the village pub. The Bay Gateway and excellent bus and train links allow easy access to the M6, Morecambe and Lancaster.

Let's Step Outside

Each property benefits from its own parking and garden areas, which the vendor has planned to enable full separation. The property area is upwards of 2800 square feet and has private parking for circa 7 vehicles. In addition, there is also the base for a 2-car garage with planning permission ready to use for extra parking or re-build if required.

Services

The property is served with gas and electric central heating with the two lower apartments having gas and the upper electric. There are also mains electric, gas, water and sewage services.

Tenure

The property is Freehold. Title number: LA739970.

Council Tax

The ground floor apartment is Band A under Lancaster City Council, with the two upper apartments receiving small business rates relief.
