Inside The Home

This mid-terrace property offers well-proportioned accommodation throughout, including two double bedrooms and an additional versatile room to the ground floor. Entry is via a double-glazed uPVC door into a spacious and welcoming lounge, featuring recently installed wooden storage. To the rear, the kitchen provides a generous layout with ample space to accommodate a compact dining table, making it ideal for everyday living.

The ground floor also benefits from a versatile additional room, currently utilised as a home office, along with a convenient shower room comprising a shower, wash basin, and WC. This space offers excellent potential and could easily be adapted into a utility room if preferred.

To the first floor, there are two well-sized double bedrooms and a newly fitted, modern family bathroom, complete with a three-piece suite and overhead shower. The principal bedroom has been recently decorated in a stylish Moroccan-inspired design, while the second bedroom presents an opportunity for buyers to add their own finishing touches, as you'll see from the photos the exterior wall in the second bedroom is bare brick, the current owners were allowing the wall to breathe due to damp issues.

Externally, the property continues to impress with a loft space that is boarded, insulated, and accessible via pull-down ladders, offering further useful storage or potential for additional use.

The home has seen significant recent improvements, including a two-year-old boiler with annual servicing, re-plastering, redecoration, and new flooring and carpets throughout. The roof has also been renewed, with chimney flashing replaced. This home is ready to move into while still offering scope for personalisation. Ideal for first-time buyers, families, or investors alike.
