

Inside The Home

Situated in the highly sought-after village of Bolton-le-Sands, this well-proportioned one-bedroom ground floor apartment presents an excellent opportunity for first-time buyers, downsizers, or those planning for the future. Ideally positioned with convenient access to the M6, Bay Gateway, Lancaster, Morecambe and the Lake District National Park, the property offers a fantastic balance of village living and excellent transport links. The accommodation is entered via a recently replaced UPVC double glazed front door into a welcoming entrance hallway. The generous double bedroom provides ample space for a double bed and additional furniture, with a pleasant outlook over the quiet residential street. The spacious lounge is filled with natural light thanks to its large front-facing windows, creating an ideal space for relaxing, entertaining or accommodating both living and dining areas. An electric fire provides an attractive focal point to the room. The kitchen, installed approximately 14 years ago, offers a modern range of fitted units with plentiful storage, an integrated oven, space for white goods and enough room for a compact dining table. The original three-piece bathroom has been reconfigured into a practical shower room. While it would benefit from a little cosmetic updating, it offers excellent potential to create a stylish modern space.

The current owners have maintained the property well, with a boiler installed approximately three years ago that has been serviced annually. The property has also been rewired, and both the front and rear doors have recently been replaced. Gas and electrical safety certificates are available for additional peace of mind.

Offering spacious accommodation in a popular village location, this is a fantastic opportunity to purchase a well-maintained home with scope to add your own personal touch.
